Time shall pass, leaving our high school years far behind us. And when we reflect back upon the days we've spent here, no two people shall remember them exactly the same way, for we all have different perspectives. We may all read the same passage, but our interpretations may be different. We may all view the same picture, yet only a few may find it beautiful. Our perspectives set us apart as individuals. We must be careful never to consider only our personal perspectives, for whether they be rich or poor, wise or foolish, we may learn much by looking at things through the eyes of another.

The painter uses his eyes
To create a picture for us to see
But when his canvas dries
We all may see it differently

Sensational Seniors Of Seventy-Seven

"I hope the class of '77 have enjoyed and benefited as much from this past year as much as I have enjoyed and learned from a truly fine group of people."

"As we leave R.F.A., we will be setting new goals and bigger dreams for ourselves in the future. Best of luck to everyone and keep pushin'."

Mark Hall--President

Mr. Kunkel--Advisor

"As the first graduating class in America's third century, I feel our senior class has set standards that will be followed, hopefully, for years to come."

Marianne Haydon--Vice-President

"All of us seniors think the year went by too fast, for we were active all year and will leave R.F.A. with many treasurable memories."

Sue Vittorello--Secretary

"My thanks go out to all those who helped make the most of my senior year--it's been the best!"

Emily Hayden--Treasurer

77 77 77 77 77 The years have gone by quickly. As seniors, we will remember our senior year with the fondest of memories. We've been through a lot--everything from planting 19,000 crocus bulbs to the highlight of the year, the Senior Ball. It's been great being involved with so many super people who make up the Class of 1977 and with all of the activities the class has sponsored: Oh Jung Yong, our Korean foster child, our first class float (which would have placed first if Mr. Kunkel had been a shop teacher!), the Senior Play "Arsenic and Old Lace," the many summer car washes and snow cone sales, the Winter Weekend Semi-formal, and many, many more. Thanks for giving us this opportunity and, again, thanks for the memories. --The Class Officers of '77; Mark Hall, Marianne Haydon, Sue Vittorello, Emily Hayden

"Working with people such as the members of the Class of '78 is one of the rewarding experiences that makes teaching worthwhile."

"As class president, I am honored to represent such a great class I feel that we have been one of the most ambitious and hardworking classes ever to come to R.F.A. We have a lot to be proud of. I am also honored to work with my fantastic co-officers."

Wanda Watson--President

Mr. Woodard--Advisor

"I'm glad I had the opportunity to take part in the endeavors of our class. It kept things interesting . . . to say the least."

Michelle Granieri--Vice President

"This year was an . . . experience!?"

Krista Mead--Secretary

"Being treasurer for the past year has been a truly rewarding experience. Working with such enthusiastic and dedicated class officers has been a lot of fun, despite the hard work. I hope the Class of '78 will continue to soar to the top."

Cathy Leach--Treasurer

On behalf of the officers of the Class of 1978, I would like to say that this was a fulfilling year for the juniors. Our main objective was to raise money for our final and most important year at R.F.A. First we started out with several car washes and bake sales. Then, we worked at the concession stand for the football and soccer games. For Fall Weekend, our class submitted a superb float which was as a castle representing "RFA, Home of the Black Knights." The people who worked on it deserve much recognition for all the time and effort they put into building it.

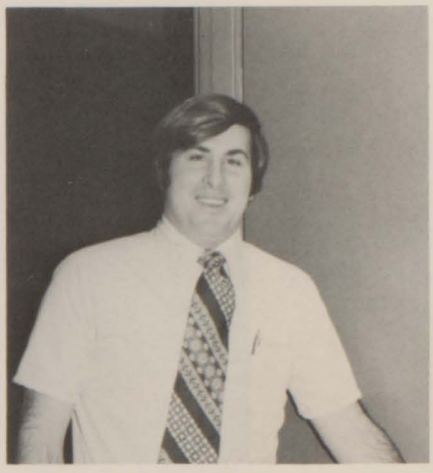
The next activity on the agenda was the annual R.F.A. Talent Show. We decided to do something a little different with the show and based it on TV's popular GONG SHOW. Our name for it--"Here Today, Gonged Tomorrow." Not only juniors, but members of the other classes participated in it. Next is the most waited for activity, the Junior Prom, which we anticipate to be one of the best. Several ideas are being debated on for remaining class projects. We feel the class has done financially well, and we hope to get much participation and enthusiasm from the rest of the junior class. We also hope the Class of '79 will follow the successful route we have. --Wanda Watson, President of the Class of 1978.

The Sprightly, Spirited, Smiling Sophomores

"I have really enjoyed being president this year. Thanks to all who supported our class, especially Mr. Jacobowitz."

Ellen Kelly--President

"As advisor of the sophomore class this year, I can't wait until the next two years to see how far these kids can go."



Mr. Jacobowitz--Advisor

"My year as vice-president has been fun and rewarding. I feel that I have helped our class in some way, and I think we're going to get far here at R.F.A."

Linda Cardona--Vice President

"I have really enjoyed my year as secretary of the sophomore class. We've had a lot of fun and shared many experiences."

Wendy Woods--Secretary

"I feel proud to have served with such fine officers. Ellen, Linda, and Wendy have done a fantastic job this year. We, as the Class of 1979, hold something special for the future.

Dan Chmielewski--Treasurer

79 79 79 79 79 79 79 Quickly forgetting our Strough-Stanley rivalries, the Class of '79 got off to a good start with a great team effort in our first big project. They told us to build a float . . . so we did--a gigantic root beer "float" which won the Fall Weekend competition. Our next project was designing our class rings. A donkey basketball game and many other events are under way. Our class has a lot of good people in it. These people give our class spirit. Thanks to everyone who supported our projects during the year, and a special thanks to Mr. Jacobowitz for being a wonderful advisor. He helped us make quite a few big decisions we had to make. He gave us the support we needed in our first year at R.F.A., and we're sure everyone is grateful. We're also sure that if this year is any indication of what the next two years will be like, we'll really have a good three years. The sophomores have added much to R.F.A., and we hope that we will go on doing so.--

The Officers of the Class of 1979-Ellen Kelly, Linda Cardona, Wendy Woods, and Dan Chmielewski.

The Echo, R.F.A.'s school newspaper, contains feature stories, artwork, and sports articles that involve and interest the R.F.A. students. The articles chosen cover a wide variety of topics. The Echo staff is made up of hardworking, devoted students who do their best to make the paper a success. Their jobs consist of reporting, writing, typing, and designing layouts for all the material used.

This year's staff received the opportunity to work in their very own Echo Office, and to enjoy its many conveniences. Their main goal has been to keep the paper alive. With the support of the staff who published it and the students who bought it, the R.F.A. Echo managed to survive another year.

The Spirit Of Interact Club

The Interact Club of R.F.A. is a service club sponsored by the Rome Rotary. The club which was in existence previously was organized in January 1976. The faculty advisor is Mr. Adams and the officers are: President--Rita Tims, Vice President--Larry Woodard, Secretary/Treasurer--Diana Frank, Stass Representative--Karen Schaller and Alternate--Sue Lince. The Haunted House entertained approximately 6,000 people and cleared over $4,000 for the United Way. Thirty-eight students participated in the project. Some of the characters were as follows: Count Dracula--Jeff Evans, Countess--Cindy Nelson, King Kong--Greg Wheat, Hunchback--Pat Versace, Head--Margaret Rondinelli, Frankenstein--Tom Augustine, Bride of Frankenstine--Nancy Kozlowski, Witch--Rita Tims, Cat--Penny Liebi, Grave Digger--Ward Yourdon, Body--Tim O'Neil, Devils--Sandy Sweatman, Olympia Clark, Jeff Frank. Gypsy--Molly Berry, Ghouls--Ellen Sandfort, Sharon Natalie, and Lisa Frank. There were also many other people playing important roles, both acting and supporting, to insure the success of the project. Since then, members of the Interact Club have done volunteer work in Swine Flu clinics, and also sponsored bake sales.

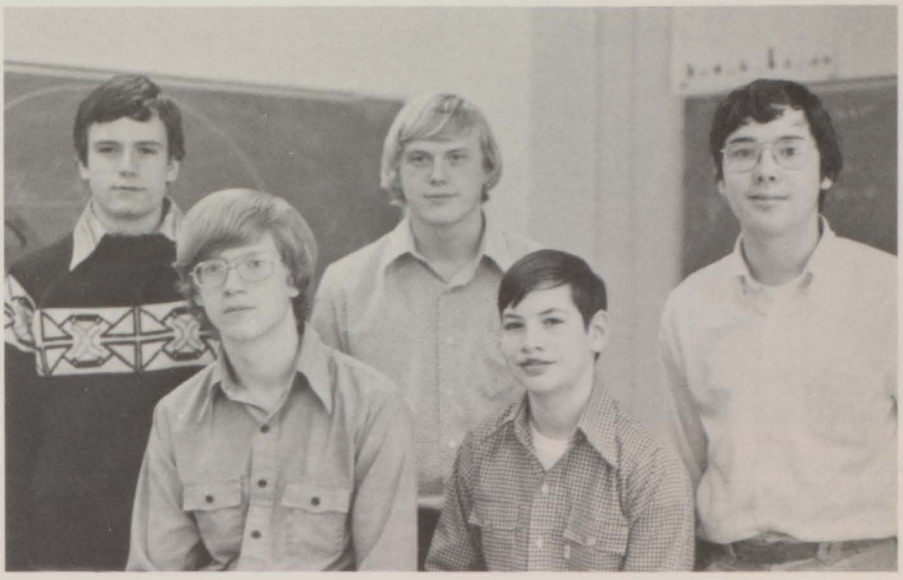
Chess Club Makes Their Move



The R.F.A. Black Knights Chess Team has finished the first half of the season with 4-2 victories over Mount Markham, Sauquoit, and Waterville, and a triumph over Camden, 5-1. A 3-3 tie with Whitesboro and a 4-2 loss to New Hartford gives the Knights a 4-1-1 log. The team members are, from left to right: Greg Wheat, Jeff Gaetz, Paul Bonney, Ward Yourdon, and Eric Peterson. Missing from the picture are: Ken Holt, Jeff Sexton, and Ted Wilson.

Gerstley Borate Foundation

The G.B.F. Club was created for the enlightenment and fulfillment of the members' imagination and knowledge in the field of art. The club was established just this year. Field trips and art exhibits were highlights this year.

The Library Club is a SERVICE organization. Students aid the library staff from the beginning, the typing of book orders right on through to processing the new books. They shelve books, store magazines, and work with college catalogs, special collections such as vocational and reference books, and microfilm. They are on hand to check out books and non-print media as well. The library couldn't get along without them!

A branch of the Library Club works in the AV center. These students check the films in and out, handle projection lamp replacement, film splicing and other technical problems which are a part of every day.

Our Future Actors and Actresses Drama Club

The Rome Free Academy Dramatics Club is composed of students in all three grade levels. Known by all to be "hams", the group is zany, active and enjoys their dramatic activities.

The organization of the club followed the production of the Senior Class Play, "Arsenic and Old Lace." With enormous enthusiasm, the cast, crew and loyal supporters felt "more shows must go on." Hence the organization of the group.

The next event was a radio play presented Christmas Eve on WRNY. "A Christmas Carol" was another feather in their cap as the kind folks at WRNY worked with the club in taping the production. Another success was behind them as they moved ahead.

Officers who were elected in January include Mark Chadbourne, President; Robin Fernandez, Vice-President; Ralph Brasacchio, Treasurer; and Craig Holberger, Fund Raising Chairman. Candy sales, bake sales, candy apple sales are a few of the fund raising ideas for the group.

One of the guests this year was Mr. Irving Gordy who demonstrated the Pulsar Compact telescope. The Science Club's own members have given demonstrations in physics and chemistry. Members of the Science Club have participated in the local and state Science Congresses in the past, and are hopeful, of participating again this year.

My summer in Trieste, Italy with my host family and Il Campo Scuola A.F.S.A.I. di Trieste is impossible to share in these few lines other than by this poem: A day passes by, A lifetime is spent, A rememberance is made, And time goes on. A dream is born, A hope dies, A joy is found, A loss is gained. A love grows, A hate dwindles, A happiness is shared. Today is a Day of Ending, A Day of Beginning, A Day to be Remembered, Cherished, and Loved.

A.F.S. Exchanges

I was an exchange student in Izmir, Turkey for ten weeks last summer. I stayed with a retired colonel, his wife, and their twenty-year-old daughter. Turkey is a developing nation. The lives of most Turks are greatly influenced by old traditions, the religion (Islam), and their families. The Turks are friendly and giving, and they always take the time to help others. All my experiences will stay with me for the rest of my life, but the greatest part of my A.F.S. summer is that, by being away, I had the chance to realize how much I love my family and how lucky I am to be an American.

Bellamy Award

Billings Senior High School hosted the 1976 National Bellamy Award in Billings, Montana. Tami Telander was selected to represent RFA, Rome, and New York State at the 35th annual national Bellamy Award Presentation. The founder was Dr. Miller, who confirmed that Francis Bellamy did write the Pledge of Allegiance. Dr, Miller has devoted her life to research Mr. Bellamy. There were eighteen representatives from various states. Each brought a gift. Rome gave a Revere bowl and presented a De-o-wain-sta yearbook to the school. Tami went to many places and did many things. She visited Custer's Battlefeild, Yellowstone National Park, Old Faithful and various local museums. She attended the school's fall weekend ceremonies which inded a picnic, football game, car caravan and a dance. She also attended various banquets and gave two presentations and a speech on "Are Americans Too Rich?"

"The family and People I met in Billings were some of the warmest and kindest people I have ever met. I made many life long friends there. I learned that although there are millions of people in the world we are all much the same and that by opening up to one another we will be much happier."

"Arsenic and Old Lace" was first presented in the Fulton Theatre in New York, then in the R.F.A. auditorium November 12, 13, and 14 of 1976. The play is about two elderly sisters who have a crazy whim to poison elderly gentlemen, then bury them in their basement. This peculiar habit of theirs leads to other scenes involving their three nephews. One thinks he's Teddy Roosevelt, one escaped from a mental institution for the criminally insane, and the other is very much in love.

Mrs. Karen Cole did a splendid job in directing the senior class members who put on such memorable performances and those who worked behind the scenes as well. "Arsenic and Old Lace" was a senior play put together with lots of effort, practice, and fun--the ingredients which made it so successful.

"Time Passes On"

On June 4, 1976 the R.F.A. Class of '76 held their Senior Ball at Harts Hill Inn. A record crowd of 522 students and faculty members attended what was R.F.A.'s first Senior Ball held outside of Rome. At midnight Terry Ann Grasso and John Martin were crowned king and queen and presented six roses and $10 together. They will go down in R.F.A.'s history as being the first king and queen to come together as a couple.

Serving in the queen's court and each receiving a single white rose were Debbie Hert, Laurie Goyer, Camille Tauroney, and Kris Slauson escorted respectively by Mike Thompson, Bruce VanMeter, Mike Tagliaferri, and John Truman Kahler. Serving His Highness and each receiving $5 were Ray Giamporcaro, Rob Riggleman, Army Securra, and Steve Adolfi with Sandy Davies, Rose Marie Szczesniak, Sue Vittorello, and Diane Bennett respectively as their dates.

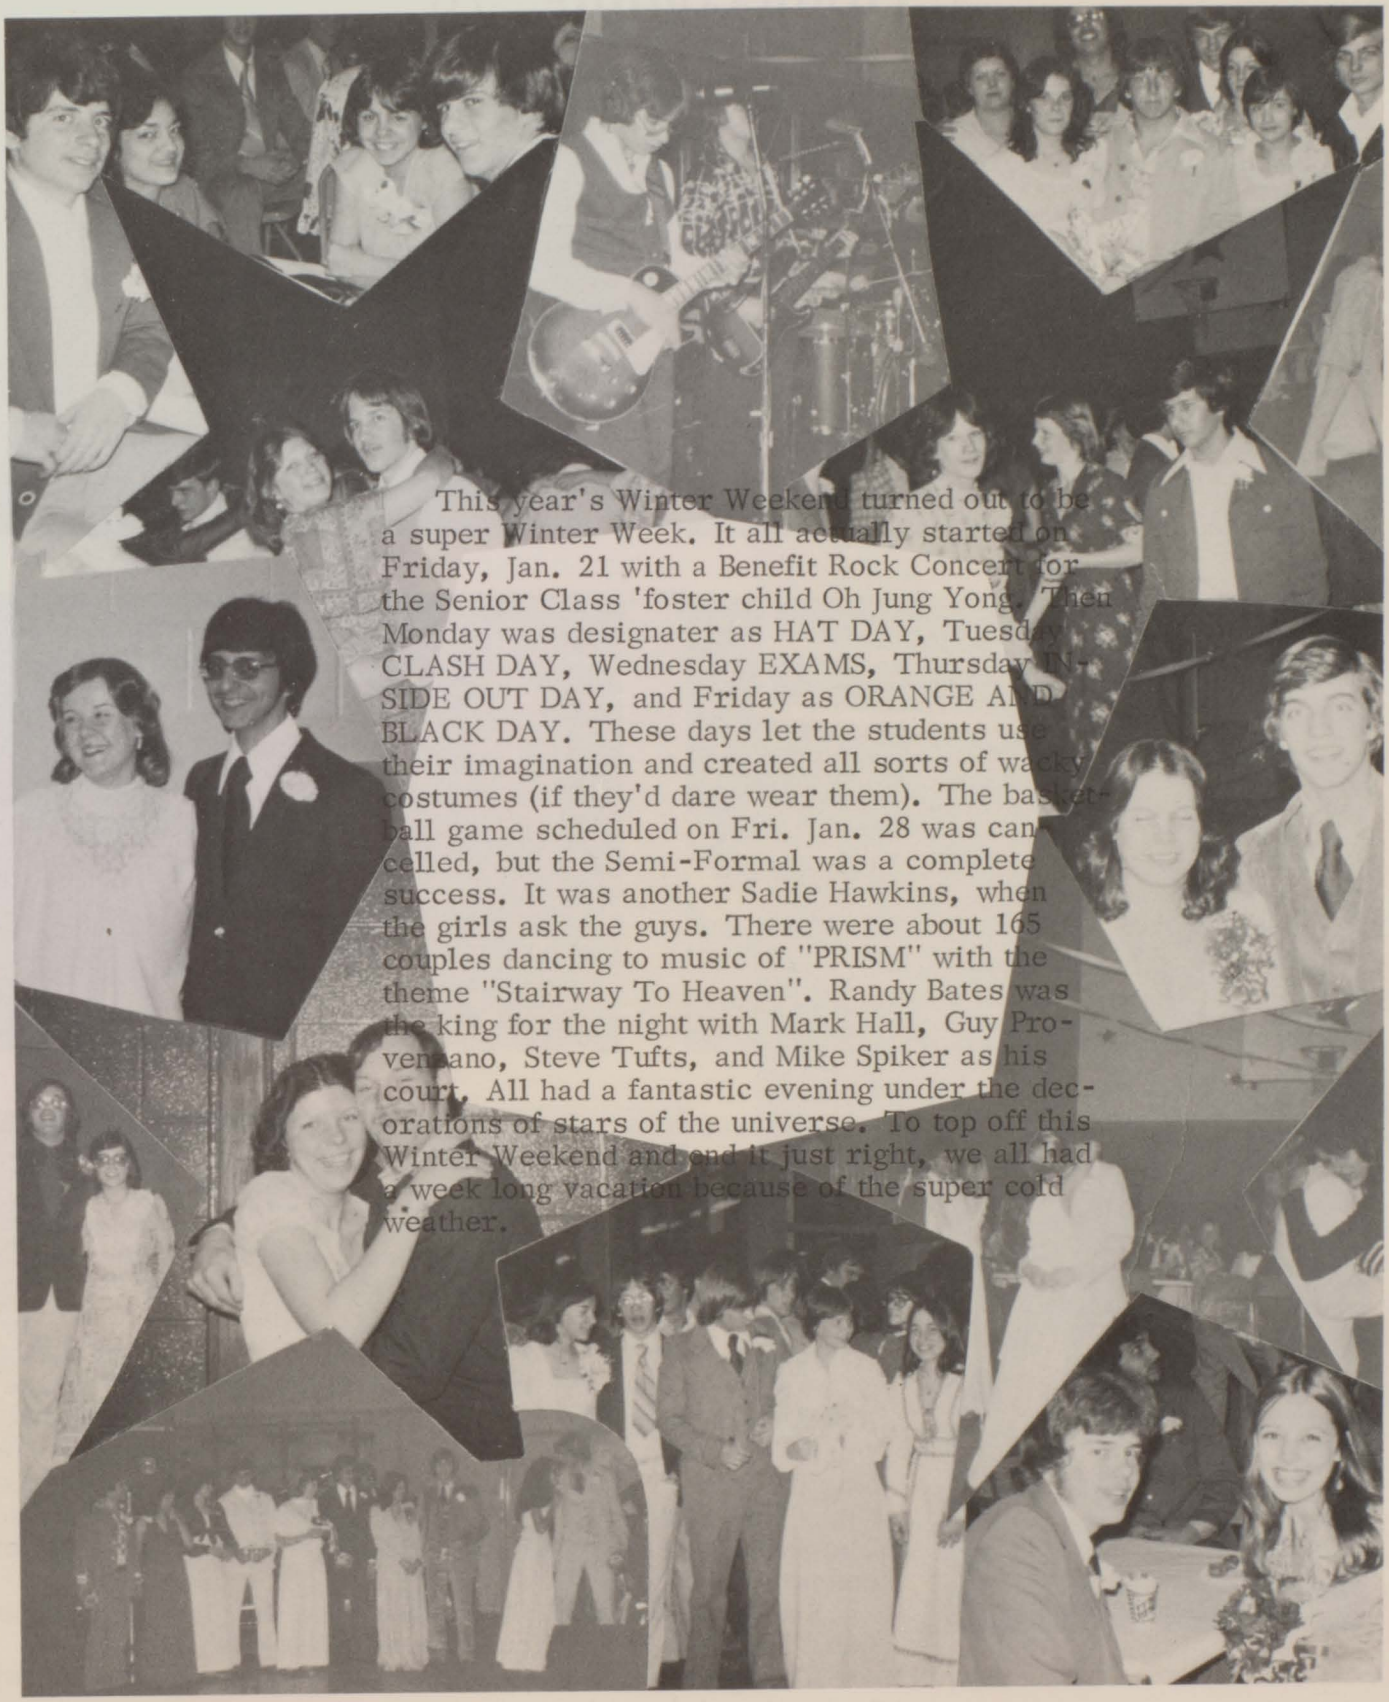
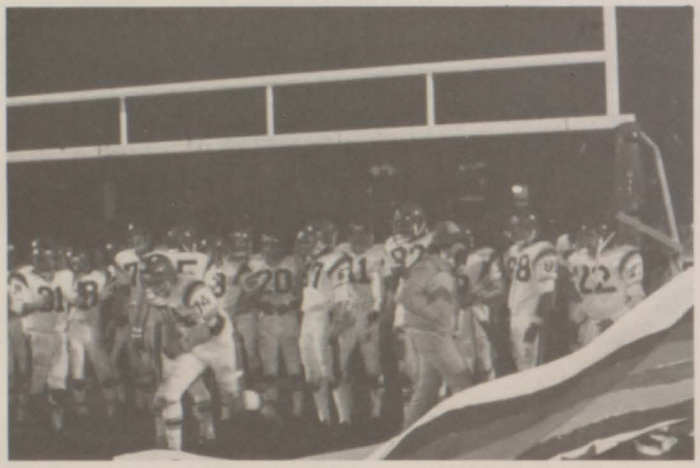
"Stairway to Heaven"



This year's Winter Weekend turned out to be a super Winter Week. It all actually started on Friday, Jan. 21 with a Benefit Rock Concert for the Senior Class 'foster child Oh Jung Yong. Then Monday was designater as HAT DAY, Tuesday CLASH DAY, Wednesday EXAMS, Thursday IN-SIDE OUT DAY, and Friday as ORANGE AND BLACK DAY. These days let the students use their imagination and created all sorts of wacky costumes (if they'd dare wear them). The basketball game scheduled on Fri. Jan. 28 was cancelled, but the Semi-Formal was a complete success. It was another Sadie Hawkins, when the girls ask the guys. There were about 165 couples dancing to music of "PRISM" with the theme "Stairway To Heaven". Randy Bates was the king for the night with Mark Hall, Guy Provenzano, Steve Tufts, and Mike Spiker as his court. All had a fantastic evening under the decorations of stars of the universe. To top off this Winter Weekend and end it just right, we all had a week long vacation because of the super cold weather.

Homecoming '76



The traditional Homecoming was a success despite the cold weather.

Thursday, October 21, the weekend started with a car smash followed by a bonfire. The seniors on the football team were given gifts to remember their years in high school. After the bonfire there was a dance sponsored by the Pep Club featuring Bekin.

Friday, October 22, was the Rome Free Academy football game against UFA. Although it was freezing the Rome Free Academy boys showed UFA it could win in any weather, by winning 34-0. At halftime Wendy Blackburn, escorted by Guy Martin, was crowned Homecoming Queen. Her court was Diana Frank, Mary Jo Coccia, Susan Carrier, and Jill Watson. The Sophomore class advised by Mr. Jacobowitz won the float competition.

Saturday, October 23, was the semi-formal. The theme was "This One Is For You" featuring Sweet William.

All together the Homecoming was a great success and will be continued through the years to come.

The Varsity Hockey Team have fallen victims to an energy crisis, lack of manpower. Injuries have plaugued the team, but they still continued to turn in strong performances. A heartbreaking loss to Clinton in overtime seemed to typify the Hockey Team season. The team's captain is Mike DeRuby. Coach Meiss is the intern coach during Coach Simon's year of absence.

'76-'77: THE YEARS OF MADVERTISEMENT

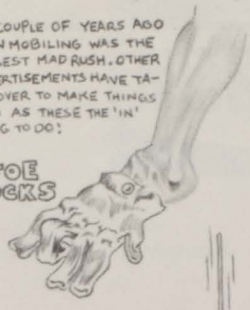
SOMETIMES YOU CAN PUT IN ALL YOU'VE GOT INTO ADVERTISEMENT — RUSHING INTO SOMETHING AS HARD AS A SNOW-BANK...

... PLOW INTO IT ENDLESSLY...

... AND COME OUT WITH NOTHING AND ALL SUPPORT YOU BEGAN WITH PULLED FROM UNDERNEATH YOU!

SNOWMOBILES ARE SLOWLY GOING OUT OF SIGHT...

A COUPLE OF YEARS AGO SNOWMOBILING WAS THE BIGGEST MAD RUSH. OTHER ADVERTISEMENTS HAVE TAKEN OVER TO MAKE THINGS SUCH AS THESE THE 'IN' THING TO DO!



THEY CAN EVEN SELL THINGS LIKE...

A JAR FULL OF SHREDDED UP $10,000 BILLS*

* TAKEN OUT OF CIRCULATION, OF COURSE!

AND LAST BUT NOT LEAST... ALL THOSE MOTOR VEHICLES THAT HAFTA HAVE CITIZEN BAND RADIOS

CB ANTENNAS ARE A SORT OF ADVERTISEMENT ALL IN THEMSELVES. WHEN YOU SEE ONE ON A CAR, YOU AUTOMATICALLY KNOW THAT IT CONTAINS A CB. AT LEAST, THAT'S WHAT MOST THINK. THERE ARE PROBABLY A COUPLE MILLION OF THESE ADVERTISEMENTS, WHILE ONLY ABOUT A HUNDRED CB'S ARE ACTUALLY IN CIRCULATION...

BUT SOMETIMES PEOPLE BECOME DISCOURAGED AND FINALLY DO AWAY WITH THE ADVERTISEMENT ALTOGETHER. USUALLY THE ADVERTISEMENT DOESN'T FIT THE TIME OR JUST ISN'T OF ANY USE ANYMORE. FOR EXAMPLE, I BET THERE'S ONE ADVERTISEMENT HARDLY ANYONE REMEMBERS - THE ADVERTISEMENT OF OUR COUNTRY'S FREEDOM 200 YEARS AGO...

SOMETIMES ADVERTISEMENTS COME AT THE WRONG TIME OR THE WRONG PLACE BUT IF THEY'RE FOUND IN THE PAGES OF THE DE-O-WAH-STA — YOU KNOW THEY'VE GOT TO BE GOOD!

... THE GOOD OLD STARS AND STRIPES FOREVER!
